CLAIM CONSTRUCTION ORDER

Prior to the scheduled *Markman* hearing, the Court provided its preliminary constructions to the parties. Because the parties indicated that they did not wish to argue any of the terms (with the understanding that they do not waive any of their appellate rights), the Court canceled the *Markman* hearing and now enters the preliminary constructions as the final constructions.

SIGNED this 31st day of March, 2022.

ALAN D ALBRIGHT
UNITED STATES DISTRICT JUDGE
